

MODEL 599 COMPETITION AIR RIFLE

The Daisy Model 599 Competition Air Rifle is a .177 caliber that allows competitors to shoot the entire match without having to recharge. This gun has all of the features competitors need to win in 10-meter shooting competition, such as an ambidextrous beechwood stock with multiple adjustments, trigger weight adjustable down to 1.5 pounds, rotating trigger adjustment, straight-pull T-handle, hammer-forged BSA barrel and more.

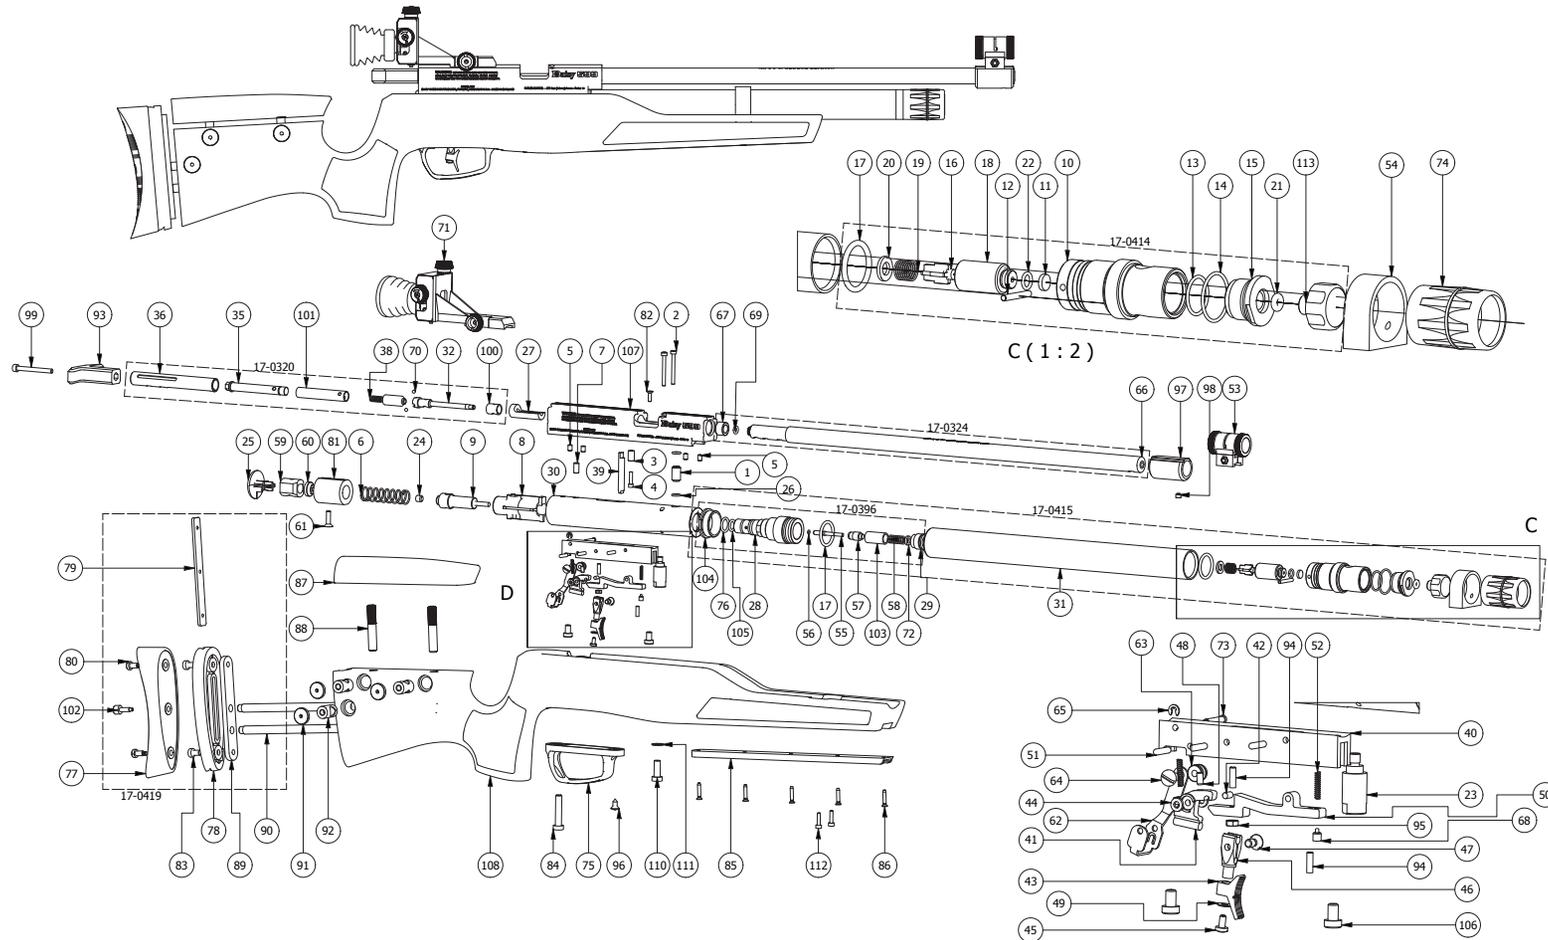

Match Price \$625.00
